

Why choose art, craft and design?

This is a broad-based course exploring practical, critical and contextual work through a range of 2D and/or 3D processes and media.

Art, craft and design gives you the skills and knowledge to create personal and imaginative work. You can choose to focus on a specialist area of study from a variety of exciting processes and media to suit your individual interests and abilities. This can result in degree opportunities and careers ranging from painting portraits to producing exotic fashion costumes or designing futuristic architecture. If you have an adventurous, creative and enquiring mind and are excited by shaping and determining the visual world around us, there is a career opportunity waiting for you.

A-level assessment

At A-level, for component 1, you will develop work for a **personal investigation** into an idea, issue, concept or theme supported by written material. This will count for 60% of your total A-level marks. In component 2 you will produce **personal work** in response to one of eight exciting starting points which will count for 40% of your total A-level marks.

Practical course

A-level is a practical course in which you learn by doing, so you will be able to create imaginative personal work. You will find out about a whole range of media, techniques and processes. You will develop your creativity and independent thought, learn to express yourself visually and let your imagination flourish.

Art, craft and design is a great companion to all other subjects as creativity, imagination and problem solving skills can give you great ideas for your other subjects.

Progression

Art, craft and design A-level builds on the skills, knowledge and understanding developed through study at GCSE.

At the end of the A-level course, you will have the skills, knowledge and understanding needed for higher education.

Entry requirements

If you want to know more, please talk to your teacher.
