

# HULME GRAMMAR SCHOOL

## PUPIL ATTENDANCE

*This policy is applicable from EYFS through to Year 13*

### **Principles**

The school is committed to a positive policy of encouraging pupils to attend regularly and reduce absence. The school will work with parents and pupils to secure this aim and address patterns of absence. The policy recognises that regular attendance has a positive effect on the motivation and attainment of pupils. It works in accordance with [Working together to improve school attendance](#).

To ensure that all pupils have access to full time education to which they are entitled.

One of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents.

By promoting good attendance and punctuality we aim to:

- Make good attendance and punctuality a priority for all those involved in the school community;
- Raise our pupils' awareness of the importance of good attendance and punctuality;
- Provide support, advice and guidelines to parents, pupils and staff.

School aims to work in partnership with parents and other agencies to ensure that each child can maximise the educational opportunities provided.

By working in partnership with parents and other agencies, we can ensure that we have clear and robust strategies in place to manage and promote regular attendance, for all students at School.

### **School Staff to Support Attendance**

The School's Senior Attendance Champion is Mr Andrew Marshall (Deputy Principal - Pastoral)

The School also has an attendance officer.

Please contact the attendance officer on a day-to-day basis when your child is absent or for any queries regarding attendance.

The School parent support advisor/safeguarding & pastoral lead is Mr Andrew Marshall.

School will monitor trends and patterns of absence for all pupils as a part of our standard procedures. However, we are aware that sudden or gradual changes in a pupil's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance: [Keeping children safe in education 2024 - GOV.UK](#)

Parents to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly. Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning.

The other purpose of this attendance policy is to ensure that there is an efficient system, known to all, for ensuring that pupils who should be attending the school have registered twice daily, or a reason for non-attendance is known to the school.

The school will do all it can to encourage our pupils to attend. We will also make the best provision we can for any pupil who needs additional support in school or who is prevented from attending school, due to a medical condition.

[Supporting pupils with medical conditions at school - GOV.UK](#) and [Education for children with health needs who cannot attend school](#)

Children who are absent from school or missing from school for sustained periods of time must be monitored and staff must be proactive in following up absence. Safeguarding risks increase substantially for those absent from education. Staff monitoring attendance should work closely with the DSL.

## **Taking the Register**

Pupils of compulsory school age must have their attendance registered twice per day. It is the practice of the school to register all pupils. In the senior and Pre -Prep and Prep schools this is done electronically using the Schoolbase system. The register will be marked using the codes listed in [Section 10 of The School Attendance \(Pupil Registration\) England Regulations 2024](#)

The register must be updated twice daily at the start of morning and afternoon sessions. In addition all teaching staff must check that the pupils who should attend each lesson do so.

The register must record whether the pupil is present, absent, or attending an approved educational activity or medical appointment.

An 'approved educational activity' is defined as:

- one taking place off the school premises;
- approved by a person authorised by the governing body or the Interim Heads of School;
- supervised by a person approved by the governing body or Interim Heads of School;
- of an educational nature, including work experience, field trips and educational visits, interviews with prospective employers, or for a place in Higher or Further Education; and
- attending an approved sporting activity:

When a pupil of compulsory school age is absent the register must be marked as an 'authorised' or 'unauthorised' absence.

## **Pupils taken ill during the school day**

If a pupil needs to be sent home due to illness, this should be by agreement with the school Medical Officer and a parent. If the Medical Officer is unavailable, an appropriately authorised member of school staff will contact parents. In such circumstances, the pupil must be collected from the reception by a parent or another authorised adult, and signed out in the 'signing out' book. No pupil will be allowed to leave the school site without parental confirmation.

In the Prep, the appropriate staff will communicate directly with parents and make arrangements for the child to be collected. Children in these sections will also be signed out.

## **Request for leave**

Pupils will not be granted authorised absence for family holidays other than in exceptional circumstances. Such circumstances may include family weddings or funerals. However, only a sufficient period of time will be granted in such circumstances to allow for travel to and from the event and for the event itself. In such exceptional circumstances parents will be asked to provide travel documents prior to travelling in order to verify such requests.

## **Religious Observance**

School acknowledges the multi-faith nature of the school community and recognises that on some occasions, religious festivals may fall outside of school holidays or weekends. In accordance with the law, the school will authorise absence exclusively set apart for religious observance by the religious body to which the parent belongs.

## **Exclusions**

If a pupil is excluded, this will be recorded as an Exclusion in the register. The school will follow the guidelines as laid out in the [Exclusions Policy](#)

## **Reporting to Parents**

There will also be a written report on attendance annually in the pupil's end of year school report.

### REGISTRATION PROCEDURES and TRUANCY

#### Registration – general instructions

It is the Form Tutor's responsibility, along with their Head of Year, to ensure that an accurate register is taken at the start of each morning and afternoon session.

The correct procedure for each registration session is that names should be called whilst the pupils sit in silence, a response should be given by each pupil. Pupils may not call the register, nor answer for an absent classmate.

Pupils arriving after the registration period has finished must sign the late book in the reception both morning and afternoon. Pupils who are persistently late without good reason should first be warned, and then an appropriate school sanction should be applied where they fail to respond to a formal warning. Parents should be informed about this.

#### Absences

All absences should be identified with a letter N. The Form Tutor must follow up any unexplained absences

A daily record of each pupil's authorised and unauthorised absences will be kept electronically using the codes listed in [Section 10 of The School Attendance \(Pupil Registration\) England Regulations 2024](#)

### REGISTRATION PROCEDURES

- All registers must be completed using the SchoolBase system.
- If a pupil is present, mark using an oblique stroke, with a stroke in the reverse direction for the afternoon session.

- If a pupil arrives after 8.50am or 1.30pm the pupil must sign the late book held outside in the reception.
